NOTES

- 1 In the event that the financial information held on file is for a period of less than a full 12 months, the Financial Details shown above are annualised using a simple time basis. For example nine months figures would be divided by 9 and multiplied by 12 to obtain a simple annualised result. Seasonal variations will not therefore have been taken into account.
- 2 The above 'Adjusted Net Profit' amount assumes a partnership buying the business, and makes allowances for any personal expenses which are peculiar to the Seller. A Buyer investigating the business should take these points into consideration and according to personal circumstances make necessary adjustments in their evaluation of the business.
- 3 The Operational Details shown above are that which the have been provided by the Seller as the current operating situation within the business and may differ from operational circumstances that were applicable in the generation of the historical financial figures presented.
